DIG.I.T.ABLE
DIG.I.T.ABLE (1/2)
DIGital Inclusive Trainers for AccessiBLE Education

PROJECT GOALS

The project intends to define a training standard for inclusive digital trainers, implement a VET training standard and transfer to participants innovative teaching approaches, engagement strategies and user-friendly tools for the development of learner-centered inclusive digital trainings.

TARGET GROUP

Direct target: trainers needing to improve their competences for implementing inclusive digital trainings and adapt to the labor market digital transition

Indirect target: workers with visual/hearing impairments who have difficulty in benefiting from continuous online professional trainings
DIG.I.T.ABLE (2/2)

DIGital Inclusive Trainers for AccessiBLE Education

PARTNER

STUDIO SAPERESSERE (Lead), EQUALIZENT, EVALUATE, EVTA, INTERMEDIAKT, NRCB

DURATION

The project has an overall duration of 33 months, from 20/01/2022 to 10/10/2024
### WP1: Project Management
- **A1.1** Coordination and management
- **A1.2** Monitoring
- **A1.3** Evaluation

#### TPM:
- **TPM1** - Italy
- **TPM2** - Austria
- **TPM3** - Belgium
- **TPM4** - Greece

### Curriculum
- **A2.1** Analysis of the training needs of people with sensory disabilities
- **A2.2** ICT for the exchange of good practices
- **A2.3** Elaboration of the new integrated didactic paradigm
- **A2.4** Adaptation of existing digital tools
- **A2.5** Development and implementation of **DIGITALABLE** software
- **A2.6** Description of the knowledge and skills of the inclusive digital trainer
- **A2.7** Development of the training program
- **A2.8** Translation of the curriculum from English into the languages of the partnership

### WP3: Tangible Results 2: The Professional Training Course for Inclusive Digital Trainers
- **A3.1** Test of the training methodology
- **A3.2** Description of the criteria for selecting participants
- **A3.3** Selection of participants in the training
- **A3.4** Organization and implementation of the training
- **A3.5** Organization and implementation of the Pilot course
- **A3.6** Design, registration and editing of video-lessons
- **A3.7** Verification and certification of skills and competences

#### Replicability
- **A4.1** Organization and implementation of the Follow-up
- **A4.2** Collecting feedback from the indirect target group
- **A4.3** Elaboration of the Replicability Toolkit

### WP5: Communication and Dissemination
- **A6.1** Communication and Dissemination Plan
- **A6.2** Construction of a European database of stakeholders
- **A6.3** Development and implementation of **DIGITALABLE** website
- **A6.4** Production of information materials

**ME1: Italy**
**ME2: Greece**
**ME3: Belgium**
STUDIO SAPERESSERE-LEAD WP1+WP2

ROLES AND RESPONSIBILITIES

1. WP1-PM
   - A1 Coordination and management
   - A1.2 Monitoring
   - A1.3 Evaluation
   - 1° Transnational meeting Roma

2. WP2-CURRICULUM
   - A2.2 Participation in the LTTA
   - A2.4 Adaptation of existing digital tools + guidelines
   - A2.5 Test of the innovative software DIG.I.T.ABLE
   - A2.8 Translation into Italian

3. WP3-TRAINING
   - A3.1 Testing and internal review
   - A3.2 Definition of criteria for selecting participants
   - A3.3 Selection of participants in Italy
   - A3.4 Organization and implementation of training
   - A3.5 Organization of the pilot course
   - A3.6 Production of video-pills

4. WP4-TOOLKIT
   - A4.1 Organization of the Follow-up meeting
   - A4.2 Collecting feedback from the indirect target

5. WP5-TRAINING
   - 1° Multiplier event Roma
NRCB

ROLES AND RESPONSIBILITIES

2

WP2-CURRICULUM

A2.1 Analysis of training needs
A2.2 LTTP organization (3day-event)
A2.5 Test of the innovative software
DIG.I.T.ABLE
A2.8 Translation into Bulgarian

3

WP3-TRAINING

A3.1 Testing and internal review
A3.3 Selection of participants in Bulgaria
A3.4 Organization of training
A3.5 Organization of the pilot course
A3.6 Production of subtitles and Bulgarian translations for video pills

4

WP4-TOOLKIT

A4.1 Organization and implementation of the Follow-up meeting
A4.2 Collecting feedback from the indirect target
INTERMEDIAKT-LEAD WP3

ROLES AND RESPONSIBILITIES

1. WP1-PM
   - 4° Transnational Meeting Patras

2. WP2-CURRICULUM
   - A2.5 Development, testing, implementation of the innovative software DIG.I.T.ABLE + guidelines for use
   - A2.7 Elaboration of the training program
   - A2.8 Translations of the Curriculum into Greek

3. WP3-TRAINING
   - A3.1 Testing and internal review
   - A3.3 Selection of participants in Greece
   - A3.4 Organization of training
   - A3.5 Organization of the pilot course
   - A3.6 Production of subtitles and Greek translations for the video pills

4. WP4-TOOLKIT
   - A4.1 Organization and implementation of the Follow-up meeting
   - A4.2 Collecting feedback from the indirect target

5. WP5-TRAINING
   - A5.3 Website development and maintenance
   - 2° Multiplier Event Patras
WP1-PM

2° Transnational Meeting Vienna

WP2-CURRICULUM

A2.1 Analysis of training needs
A2.2 Participation in the LTTA
A2.5 Test of the innovative software DIG.I.T.ABLE
A2.8 Translation into German

WP3-TRAINING

A3.1 Testing and internal review
A3.3 Selection of participants in Austria
A3.4 Organization of training
A3.5 Organization of the pilot course
A3.6 Production of subtitles and German translations for the video pills

WP4-TOOLKIT

A4.1 Organization and implementation of the Follow-up meeting
A4.2 Preparation of questionnaires and collection of feedback from the indirect target
EVALUATE

ROLES AND RESPONSIBILITIES

WP2-CURRICULUM
A2.6 Elaboration of an inclusive digital trainer profile

WP3-TRAINING
A3.3 Support for the selection of participants in the Italian Training
A3.7 Verification and certification of the skills acquired by the trainers

WP4-TOOLKIT
A4.3 Elaboration of the Replicability Toolkit
EVTA-LEAD WP4-WP5

ROLES AND RESPONSIBILITIES

1. WP1-PM
   - 3° Transnational Meeting Bruxelles

2. WP2-CURRICULUM
   - A2.8 Curriculum translations into French

3. WP3-TRAINING
   - A3.6 Production of subtitles and French translations for the video pills

4. WP4-TOOLKIT
   - A4.3 Processing of direct and indirect target feedback for Toolkit

5. WP5-TRAINING
   - 3° Multiplier Event Bruxelles
     - A5.1 Communication and dissemination plan; A5.2 Contact with EU stakeholders; A5.3 Website content; A5.4 Newsletter; A5.5 Pages and social media posts; A5.6 Promotional video recording; A5.7 Press releases; A5.8 Brochure, leaflet design; A5.9 Reporting Multiplier Events
